

## Map & Parking

341- 750 Spadina Crescent East – Saskatoon, SK S7K 3H3  
306-244-4111

Parking is available in the Medical Arts parking lot as well as on the street. Please note that all parking in the downtown area is metered. The meters are located at intervals along the sidewalk. These meters accept coins, bills and credit cards.

To help make parking easier you can download an app to your phone. The app is known as **Way to Park**. You can then pay for parking from your smart phone, or add time to an existing purchase from anywhere. To download the app, search for “WayToPark” where you normally download apps to your mobile device. The app is available for both iOS (App Store) and Android (Google Play).
